

AN ACT AUTHORIZING THE ADOPTION OF RULES FOR CORRECTIVE ACTION BY PUBLIC WATER SUPPLY SYSTEMS OR PUBLIC SEWAGE SYSTEMS TO PREVENT OR CORRECT CONTAMINATION OF DRINKING WATER; AND AMENDING SECTION 75-6-103, MCA.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

**Section 1.** Section 75-6-103, MCA, is amended to read:

**"75-6-103. Duties of board.** (1) The board has general supervision over all state waters that are directly or indirectly being used by a person for a public water supply system or domestic purposes or as a source of ice.

(2) The board shall, subject to the provisions of 75-6-116, adopt rules and standards concerning:

- (a) maximum contaminant levels for waters that are or will be used for a public water supply system;
- (b) fees, as described in 75-6-108, for services rendered by the department;
- (c) monitoring, recordkeeping, and reporting by persons who own or operate public water supply systems;
- (d) requiring public notice to all users of a public water supply system when a person has been granted a variance or exemption or is in violation of this part or a rule or order issued pursuant to this part;
- (e) the siting, construction, operation, and modification of a public water supply system or public sewage system, including requirements to remedy:
  - (i) defects in the design, operation, or maintenance of a public water supply system or public sewage system in order to prevent or correct introduction of contamination into water used for a public water supply system, for domestic purposes, or as a source of ice;
  - (ii) fecal contamination in water used by a public water supply system; or
  - (iii) failure or malfunction of the sources, treatment, storage, or distribution portion of a public water supply system in order to prevent or correct introduction of contamination into water used for a public water supply system, for domestic purposes, or as a source of ice;
- (f) the review of the technical, managerial, and financial capacity of a proposed public water supply

system or public sewage system, as necessary to ensure the capability of the system to meet the requirements of this part;

(g) the collection and analysis of samples of water used for drinking or domestic purposes;

(h) the issuance of variances and exemptions as authorized by the federal Safe Drinking Water Act and this part;

(i) administrative enforcement procedures and administrative penalties authorized under this part;

(j) standards and requirements for the review and approval of programs that may be voluntarily submitted by suppliers of public water supply systems to prevent water supply contamination from a cross-connection, including provisions to exempt cross-connections from the standards and requirements if all connected systems are department-approved public water supply systems; and

(k) any other requirement necessary for the protection of public health as described in this part.

(3) Board rules must provide for the following:

(a) a water supply or water distribution facility reviewed and approved by the department is not subject to changes in department design and construction criteria for a period of 36 months after written approval of the facility is issued by the department;

(b) except for facilities subject to permit requirements under Title 75, chapter 5, part 4, a system of water supply, drainage, wastewater, or sewage reviewed and approved under this section is not subject to changes in department design or construction criteria for a period of 36 months after written approval is issued by the department;

(c) plans and specifications for a portion of a facility or system subject to a 36-month limit on criteria changes pursuant to subsections (3)(a) and (3)(b), but not constructed within the 36-month timeframe, must be resubmitted for department review and approval before construction of that portion of the facility;

(d) the provisions of this subsection (3) may not limit an applicant's ability to alter a proposed project that is otherwise in conformance with applicable laws, rules, standards, and criteria.

(4) The board may issue orders necessary to fully implement the provisions of this part."
